COMPANY PROFILE | NOVEMBER 2026

Your Dubai source for international appliance trade.

Established in 2012, Super Gulf Trading LLC supplies electronics and home appliances to importers, distributors and wholesale buyers.

Our Deira office handles commercial enquiries. Third-party logistics partners support storage, documentation and loading in Jebel Ali. Factory-origin and booking orders are quoted separately.

Business	Electronics and home appliances trading and re-export
Product range	Televisions, air conditioners, refrigerators, washing machines, dishwashers, vacuum cleaners and kitchen appliances
Markets	Middle East, Asia and Africa; destination suitability and supply are reviewed per order
Languages	English, Arabic, Persian and Urdu
Own brand	KORESA, owned by Super Gulf Trading LLC; distribution applications reviewed by country

A model-specific approach

Share the exact model, quantity and destination. We confirm availability, applicable specification, delivery basis and commercial conditions in a written quotation.

The website currently publishes 206 supplier-listed model records. Dated listings support an enquiry and do not constitute a live stock guarantee.
